## Toner Recycling Program

As a value added service to our customers, we offer a toner recycling program for you to offer to your end users.

We provide boxes that can be filled with toner and ink cartridges and a simple phone call to our agent who collects and recycles the cartridge with **ZERO** going to landfill.

# Simply Recycle...

## Photocopier Recycling Scheme

Another of our value added services is a scheme to have your end-of-life copiers and printers recycled to the latest WEEE standard by the UK's largest recycler.

A proof of destruction certificate can be provided.

# It's so simple to **recycle** your toner cartridges with us...
